A

B

AVAILABLE HEIGHTS:

- B 7-1/4"
- D 9"

ELEMENT

The **Element Series** trim is very distinct in its assembly and offers a high value for the design. There are 2-styles to choose from, the series 'A' and 'B'. The both series are meant for spacious custom homes where home owner's taste is sophisticated and demanding. Victoria Strong takes a full credit for the Element assembly design and we are glad to offer it to the market.
